><p>Blazin' Fire!

I'm Rikki Chadwick. A young woman who's also a mermaid.

My best friends are Cleo Sertori and Emma Gilbert. They are very important to me and I care about them very much.

I used to be way more of a bitch back in the days. Being friends with Cleo and Emma has made me a better young lady, but the old Rikki is still there and she's not goin' anywhere if I have anything to say about it.

Most people would say that I should be more lady-like and girly, but they're so totally wrong. I can be cute and lady-like when I want to.

As long as you're nice to me I'm gonna be nice to you.

I didn't grow up in a perfect little family like most other girls. I had to learn how to take care of myself at an early age.

That made me strong and confident and that's why I am the Rikki you know and love.

I think of myself as a cool, strong, sexy woman who's ready to fight for what she thinks is the right thing.

I like to have sex. Yeah, I do. I'm not shy to admit that. I'm totally open about the fact that I'm a girl who love to have sex.

Okey, I drink things with alcohol in it too. Sure, I'm drunk at least once every week. I don't care.

You think it's wrong for a hot young woman like me to drink beer and brandy? I don't care.

Stay away from my life and let me do things my way, okey?

If you try to hurt my friends I'll kick your freakin' ass so bad that you'll cry for a month.

You've got a crush on me, do you?

Too late. I've already got a boyfriend. It's Zane Bennet.

I love Zane. He can see the real me. He love me even when I'm drunk or angry or sad.

Zane is totally awesome.

I don't do good in school. I hate school. Emma always tell me that I have to study if I wanna have a good life as an adult. Okey, maybe she's right, but I'd never admit that in front of her.

Even if I'm not a top-student at least I'm sexy and in my book that's a very very good thing. Oh yeah.

I don't wear too girly clothes. That's not Rikki-ish.

Okey, I have a dress. The red one that Zane gave me, but I only wear it when I wanna be a lady and those moments are rare in Rikki's world for sure.

Cleo once told me that I should wear my red dress to school some time. No way. I'd never let people at school see me in something that's so not Rikki-ish.

I'm sure there are many guys who'd love to get a date with me, but I tell them to leave me alone.

Zane is the only man for me.

Maybe I'm not a genius, but I'm not stupid blonde either.

I'm no fuckin' bimbo.

I'm Rikki Chadwick and that's who I wanna be.

The End.
